Geith International Ltd.

Unit 5/6C, Swords Business Campus
Swords, Co. Dublin,
Ireland.
Tel: + 353 (0)1 6502100

STATEMENT OF COMPLIANCE

We hereby state that the Geith Double Lock Excavator Quick Hitch Gen 3 & Gen 4 product (including Tilting Hitches), complies with:

- *NSW Paper 2015 – "Supplying, Installing and Using Quick Hitches on Excavators or Backhoe Loaders."*
- *AS 13031:2023 – Earth Moving Machinery – Quick Couplers – Safety (ISO 13031:2016 MOD)*

Serial Number:	**1248644**
Product Code / Description:	**QC45-50H7G4**

The lifting eye and associated welds and quick hitch structure must be inspected before use for any sign of wear or damage. Do not use lifting eye if wear or damage is evident to the lifting eye or associated components.
This document is associated to and must be read in conjunction with the Geith Double Acting Quick Hitch Operators Instruction Manuals that are supplied with the Quick Hitches.
