RE: Serial Number A2-0015316-1

To whom it may concern,

This is to confirm that the KX080 Sure Grip Coupler with serial number A2-0015316-1 was manufactured in May 2023 to suit a Kubota KX080 Hydraulic Excavator with 60mm pin pickup with pickup range of 275mm-340mm on the pin centre on the attachments with a SWL rated lifting eye for 4,000kgs.

Please see attached copy of certification issued by Practical Engineering show the design is fully compliant with

AS4772:2008

ISO13031:2016

Workcover Position Paper WC01783

Kind Regards
