RE: Serial Number 23881-3

To whom it may concern,

This is to confirm that the Kobelco SK135 Heli Tilt with serial number 23881-3 was manufactured in February 2025 to suit a Kobelco SK135 Hydraulic Excavator with 65mm pin pickup with pickup range of 345mm-420mm on the pin centre on the attachments with a SWL rated lifting eye for 5000kgs.

Please see attached copy of certification issued by Practical Engineering show the design is fully compliant with

AS4772:2008

ISO13031:2016

Workcover Position Paper WC01783
